Volunteer:

GYBL is organized by volunteers. We need your help to get the games running. Everyone is welcome to be a Coach or Team Mom. You can also join the organisation team.

Coach:

Everyone who has the passion for basketball can be Coach or Assistant Coach. Both share the responsibility for the team and ensure that one trainer is there every game day.

Team Mom:

The function of the Team Mom is to organize the snacks. Every week someone else brings drinks and food for the team.

WAIVER (must be signed by one parent):

I understand that adults serving as coaches, officials and staff are volunteers. They will do their best to provide my child with safe, healthy and fun soccer learning experience. I also understand that my child's safety is ultimately my responsibility as his/her parent and that I need to either attend all games or arrange for a responsible adult guardian to assume this temporary or permanent injury, loss of life, loss of property or any other incident that may occur.
